

UPDATE ON REOPENING FOR WORSHIP

We are aware of the President's call for churches to reopen. We are waiting for the response of our Governor and local authorities. We are diligently making preparations for a safe reopening of our facilities for worship services. When we are given permission to open, we will do so following necessary guidelines for social distancing and frequent cleaning. We hope to be able to communicate more specific information soon regarding worship services. We appreciate your prayers as we seek to balance our concern for the health and safety of our members and community, our legal responsibilities as a church, and the biblical mandates to be a positive witness to the world around us.
